1.What Are Cookies?

Cookies are small text files stored on your device when you visit a website. They help websites function correctly, improve user experience, remember your preferences, and provide analytical information.

2.How We Use Cookies

2SC Security Ltd uses cookies to:

- Ensure the website functions correctly.
- Remember user preferences.
- Improve website performance.
- Analyse visitor behaviour.
- Protect website security.

3.Types of Cookies We Use

Essential Cookies

These cookies are required for the operation of our website and cannot be switched off. They enable core functionality such as page navigation, security, and contact forms.

Performance & Analytics Cookies

These cookies help us understand how visitors use our website so that we can improve its performance and user experience. Information collected is anonymous and aggregated.

Examples may include:

- Google Analytics
- Wix Analytics

Functional Cookies

These cookies remember your preferences, such as language or previously entered information, to improve your experience.

Managing Cookies

Most web browsers allow you to manage or delete cookies through your browser settings. You can choose to block cookies; however, doing so may affect the functionality of certain areas of the website.

Third-Party Cookies

Some services embedded on our website, such as maps, videos, or analytics providers, may place cookies on your device. These cookies are governed by the privacy policies of the respective providers.

4.Changes to this Policy

This Cookie Policy may be updated from time to time to reflect changes in legislation or website functionality. The latest version will always be available on our website.
